OFFICE MEMORANDUM

Subject: Organising country wide District level awareness workshops at 250 locations for promoting apprenticeship training – reg.

In continuation to OM No. F. No. MSDE-05(04)/2022-AP(PMU) dated 13th January 2023 regarding organising country wide district level 250 awareness workshops, it is clarified that the workshops can be organised beyond this FY 2022-23 and subsequent claim submission can be made after FY 2022-23. As the funding for the workshops is under Result area 4 of STRIVE project and STRIVE being a deadline-based project, the funding under this project is exempted from CNA (**Central Nodal Agency**).

2. Further, it is suggested that RDSDEs may consider conducting additional half day student awareness workshop in coordination with all the stake holders for spreading awareness of apprenticeship training amongst youths including trainees of ITIs.

This issues with the approval of Competent Authority, MSDE.
